

## **Brush Creek Metro District Irrigation Policy 2026**

Brush Creek Metro District requires that a watering schedule for outside irrigation of all landscaping, lawn areas, trees, etc., be implemented starting May 1 through October 1. This policy may be adjusted as conditions warrant. The intent of the policy is to conserve water and decrease demand on the water infrastructure of the subdivision.

### **The specific 'zones' are as follows:**

**ZONE 1:** All of the Medicine Bow Road side of Brush Creek including Solar Way, Snow Fox, Tabula Rasa, Red Tail, and Upper Medicine Bow.

Irrigation is allowed on Monday, Wednesday and Friday. Hours are from 12 am to 8 am.

**ZONE 2:** All of Juniper Hill Drive side including Upper Ranch Road, Turtle Cove, Daniel Drive, and Upper Juniper Hill Drive.

Irrigation is allowed on Tuesday, Thursday, and Saturday. Hours are from 12 am to 8 am.

This policy applies to the use of domestic treated water and does not apply to residents with private water wells that are utilized for irrigation.

Metro reserves the right to notice customers of irrigation policy issues and will assess fines if deemed necessary. Fines will be implemented this irrigation season. BCMD will be monitoring the top tier users on a frequent basis to assure compliance with our Snowmass Water and Sanitation District Contract.
